Our God is a great big God<sup>1/2</sup>

Our God is a great big God

Our God is a great big God

And He holds us in His  
hands

He's higher than a skyscraper  
And He's deeper than a submarine  
He's wider than the universe  
And beyond my wildest dreams  
And He's known me and He's loved me  
Since before the world began  
How wonderful to be a part of  
God's amazing plan

You are here as we lift You up

You are riding on our praise

Be enthroned over everything

You are seated in our praise

This is prophetic I can feel it in the air

We lift our praise and You change the  
atmosphere

With hearts open now everybody singing  
out

(Oh)

(I am free)

Turn it up this sound of praise

Make it louder than any other

Lift Him up and shout His name over all

As we praise I can feel the change

As Your presence now invades

Hear the sound of the broken chains

Prison doors are giving way

Our praise goes up  
Your rain comes down  
(REPEAT)

With shouts of praise we celebrate  
King of glory enter in  
You are riding on our praise oh Lord

You Lord

You are worthy

And no one can worship You for me

For all of the things You've done for  
me

And no one can worship You for me

Here's my worship

All of my worship

Receive my worship

All of my worship

(REPEAT)

And I will not be silent  
I will always worship You  
As long as I am breathing  
I will always worship You

Light of the world  
You stepped down into darkness  
Opened my eyes let me see  
Beauty that made  
This heart adore You  
Hope of a life spent with You

So here I am to worship

Here I am to bow down

Here I am to say that You're my God

And You're altogether lovely

Altogether worthy

Altogether wonderful to me

King of all days  
Oh so highly exalted  
Glorious in heaven above  
Humbly You came  
To the earth You created  
All for love's sake became poor

And I'll never know how much it cost

To see my sin upon that cross

And I'll never know how much it cost

To see my sin upon that cross

When the music fades all is stripped  
away

And I simply come

Longing just to bring something that's of  
worth

That will bless Your heart

I'll bring You more than a song  
For a song in itself is not what You have  
required

You search much deeper within  
Through the way things appear  
You're looking into my heart

I'm coming back to the heart of worship  
And it's all about You all about You Jesus  
I'm sorry Lord for the thing I've made it  
When it's all about You all about You  
Jesus

King of endless worth no one could  
express

How much You deserve

Though I'm weak and poor all I have is  
Yours

Ev'ry single breath
