Our God is a great big God^{1/2}

Our God is a great big God

Our God is a great big God

And He holds us in His
hands

He's higher than a skyscraper
And He's deeper than a submarine
He's wider than the universe
And beyond my wildest dreams
And He's known me and He's loved me
Since before the world began
How wonderful to be a part of
God's amazing plan

Turn It Up

You are here as we lift You up

You are riding on our praise

Be enthroned over everything

You are seated in our praise

This is prophetic I can feel it in the air

We lift our praise and You change the
atmosphere

With hearts open now everybody singing
out

(Oh)

(I am free)

Turn it up
This sound of praise
Make it louder than any other
Lift Him up and shout His name
Over all

As we praise I can feel the change

As Your presence now invades

Hear the sound of the broken chains

Prison doors are giving way

Our praise goes up
Your rain comes down
(REPEAT)

With shouts of praise we celebrate
King of glory enter in
You are riding on our praise oh Lord

You Lord

You are worthy

And no one can worship You for me

For all of the things You've done for
me

And no one can worship You for me

Here's my worship

All of my worship

Receive my worship

All of my worship

(REPEAT)

And I will not be silent
I will always worship You
As long as I am breathing
I will always worship You

Here I am to Worship

Light of the world
You stepped down into darkness
Opened my eyes let me see
Beauty that made
This heart adore You
Hope of a life spent with You

So here I am to worship

Here I am to bow down

Here I am to say that You're my God

And You're altogether lovely

Altogether worthy

Altogether wonderful to me

King of all days
Oh so highly exalted
Glorious in heaven above
Humbly You came
To the earth You created
All for love's sake became poor

And I'll never know how much it cost

To see my sin upon that cross

And I'll never know how much it cost

To see my sin upon that cross

Heart Of Worship

When the music fades all is stripped
away

And I simply come

Longing just to bring something that's of
worth

That will bless Your heart

I'll bring You more than a song
For a song in itself is not what You have
required

You search much deeper within
Through the way things appear
You're looking into my heart

I'm coming back to the heart of worship
And it's all about You all about You Jesus
I'm sorry Lord for the thing I've made it
When it's all about You all about You
Jesus

King of endless worth no one could
express

How much You deserve

Though I'm weak and poor all I have is
Yours
