In the name of the Father

In the name of the Son

In the name of the Spirit,

Lord we come

We're gather'd together,

To lift up Your name

To call on our Savior to fall on Your grace

Hear the joyful sound of our offering

As Your saints bow down

As Your people sing

We will rise with You lifted on Your wings

And the world will see that

Our God saves our God saves

There is hope in Your name

Mourning turns to songs of praise

Our God saves our God saves

We worship the God who was

We worship the God who is

We worship the God who evermore will
be

He opened the prison doors

He parted the raging sea

My God He holds the victory yeah

There's joy in the house of the Lord

There's joy in the house of the Lord
today

And we won't be quiet

We shout out Your praise

There's joy in the house of the Lord

Our God is surely in this place

And we won't be quiet

We shout out Your praise

We sing to the God who heals

We sing to the God who saves

We sing to the God who always makes a
way

'Cause He hung up on that cross

Then He rose up from that grave

My God's still rolling stones away

We were the beggars

Now we're royalty

We were the prisoners

Now we're running free

We are forgiven accepted

Redeemed by His grace

Let the house of the Lord sing praise

I've heard a thousand stories
Of what they think You're like
But I've heard the tender whisper
Of love in the dead of night
You tell me that You're pleased
And that I'm never alone

You're a Good Good Father

It's who You are

It's who You are

It's who You are

And I'm loved by You

It's who I am

It's who I am

It's who I am

I've seen many searching for answers

Far and wide

But I know we're all searching for
answers

Only You provide

Because You know just what we need

Before we say a word

You are perfect in all of Your ways

You are perfect in all of Your ways

You are perfect in all of Your ways to us

Love so undeniable I can hardly speak
Peace so unexplainable I can hardly think
As You call me deeper still
As You call me deeper still
As You call me deeper still
Into love love love

A photograph of a group of people in a room, likely a school cafeteria, during a lunch event. A large, semi-transparent blue circle is overlaid on the center of the image, containing the text "INTRO LUNCH" in white, bold, sans-serif capital letters. In the background, two men are standing and talking near a window. In the foreground, a person is seated at a table, eating. The room has large windows, a green exit sign, and various tables and chairs.
