We won't fear the battle
We won't fear the night
We will walk the Valley with You by our side
You will go before us
You will lead the way
We have found a refuge only You can save

Chorus

Sing with joy now our God is for us

The Father's love is a strong and mighty
fortress

Raise your voice now no love is greater

Who can stand against us if our God is for us

Even when I stumble

Even when I fall

Even when I turn back still Your love is sure

You will not abandon

You will not forsake

You will cheer me onward with never ending
grace

Chorus

Sing with joy now our God is for us

The Father's love is a strong and mighty
fortress

Raise your voice now no love is greater

Who can stand against us if our God is for us

Neither height nor depth can separate us
Hell and death will not defeat us
He who gave His Son to free us
Holds me in His love

(REPEAT)

Chorus

Sing with joy now our God is for us
The Father's love is a strong and mighty
fortress

Raise your voice now no love is greater
Who can stand against us if our God is for us

We worship the God who was

We worship the God who is

We worship the God who evermore will be

He opened the prison doors

He parted the raging sea

My God He holds the victory yeah

There's joy in the house of the Lord
There's joy in the house of the Lord today
And we won't be quiet
We shout out Your praise

There's joy in the house of the Lord
Our God is surely in this place
And we won't be quiet
We shout out Your praise

We sing to the God who heals
We sing to the God who saves
We sing to the God who always makes a way
'Cause He hung up on that cross
Then He rose up from that grave
My God's still rolling stones away

There's joy in the house of the Lord
There's joy in the house of the Lord today
And we won't be quiet
We shout out Your praise

There's joy in the house of the Lord
Our God is surely in this place
And we won't be quiet
We shout out Your praise

We were the beggars
Now we're royalty
We were the prisoners
Now we're running free
We are forgiven accepted
Redeemed by His grace
Let the house of the Lord sing praise
(REPEAT)

There's joy in the house of the Lord
There's joy in the house of the Lord today
And we won't be quiet
We shout out Your praise

There's joy in the house of the Lord
Our God is surely in this place
And we won't be quiet
We shout out Your praise

This is Our God

Remember those walls that we called sin
and shame

They were like prisons that we couldn't
escape

But He came and He died and He rose
Those walls are rubble now

Remember those giants we called death
and grave

They were like mountains that stood in
our way

But He came and He died and He rose
Those giants are dead now

This is our God this is who He is

He loves us

This is our God this is what He does

He saves us

He bore the cross beat the grave

Let heaven and earth proclaim

This is our God King Jesus

Remember that fear that took our
breath away

Faith so weak that we could barely pray
But He heard every word every whisper
Now those altars in the wilderness
Tell the story of His faithfulness
Never once did He fail and He never will

This is our God this is who He is

He loves us

This is our God this is what He does

He saves us

He bore the cross beat the grave

Let heaven and earth proclaim

This is our God King Jesus

Who pulled me out of that pit

He did He did

Who paid for all of our sin

Nobody but Jesus

Who rescued me from that grave
Yahweh Yahweh
Who gets the glory and praise
Nobody but Jesus (Him)

This is our God this is who He is

He loves us

This is our God this is what He does

He saves us

He bore the cross beat the grave

Let heaven and earth proclaim

This is our God King Jesus

He bore the cross beat the grave
Let heaven and earth proclaim
This is our God King Jesus

All throughout my history
Your faithfulness has walked beside me
The winter storms made way for spring
In every season from where I'm standing

I see the evidence of Your goodness

All over my life

All over my life

I see Your promises in fulfillment

All over my life

All over my life

Help me remember when I'm weak
Fear may come but fear will leave
You lead my heart to victory
You are my strength and You always will
be

I see the evidence of Your goodness

All over my life

All over my life

I see Your promises in fulfillment

All over my life

All over my life

See the cross the empty grave
The evidence is endless
All my sin rolled away
Because of You oh Jesus (oh)

I see the evidence of Your goodness

All over my life

All over my life

I see Your promises in fulfillment

All over my life

All over my life

Why should I fear
(Oh) The evidence is here

Worthy Of it All

All the saints and angels
Bow before Your throne
All the elders cast their crowns
Before the Lamb of God and sing

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

Day and night,
Night and day,
Let incense arise
(X4)

Day and night
Night and day

Then sings my soul, My Saviour God, to Thee,
How great Thou art, How great Thou art.
Then sings my soul, My Saviour God, to Thee,
How great Thou art, How great Thou art!
