There must be more than this

O breath of God come breathe within

There must be more than this

Spirit of God we wait for You

Fill us anew we pray

Fill us anew we pray

Consuming fire fan into flame

A passion for Your name

Spirit of God would You fall in this place

Lord have Your way

Lord have Your way with us

Come like a rushing wind

Clothe us with power from on high

Now set the captives free

Leave us abandoned to Your praise

Lord let Your glory fall

Lord let Your glory fall

Consuming fire fan into flame

A passion for Your name

Spirit of God would You fall in this place

Lord have Your way

Lord have Your way with us

Stir it up in our hearts Lord

Stir it up in our hearts Lord

Stir it up in our hearts

A passion for Your name

(REPEAT)

Consuming fire fan into flame

A passion for Your name

Spirit of God would You fall in this place

Lord have Your way

Lord have Your way with us

How deep the Father's love for us

How vast beyond all measure

That He should give His only Son

To make a wretch His treasure

How great the pain of searing loss

The Father turns His face away

As wounds which mar the Chosen One

Bring many sons to glory

Behold the Man upon a cross

My sin upon His shoulders

Ashamed I hear my mocking voice

Call out among the scoffers

It was my sin that held Him there

Until it was accomplished

His dying breath has brought me life

I know that it is finished

I will not boast in anything

No gifts no pow'r no wisdom

But I will boast in Jesus Christ

His death and resurrection

Why should I gain from His reward

I cannot give an answer

But this I know with all my heart

His wounds have paid my ransom

Here is where I lay it down
Every burden every crown
This is my surrender
This is my surrender
Here is where I lay it down
Every lie and every doubt
This is my surrender

And I will make room for you
To do whatever you want to
To do whatever you want to
And I will make room for you
To do whatever you want to
To do whatever you want to

Shake up the ground of all my tradition

Break down the walls of all my religion

Your way is better

Your way is better

And I will make room for you
To do whatever you want to
To do whatever you want to
And I will make room for you
To do whatever you want to
To do whatever you want to

Here is where I lay it down
You are all I'm chasing now
This is my surrender

Nothing Else

I'm caught up in Your presence

I just want to sit here at Your feet

I'm caught up in this holy moment

I never want to leave

Oh I'm not here for blessings

Jesus You don't owe me anything

More than anything that You can do

I just want You

I'm sorry when I've just gone through
the motions

I'm sorry when I just sang another song

Take me back to where we started

I open up my heart to You

I'm sorry when I've come with my
agenda

I'm sorry when I forgot that You're
enough

Take me back to where we started
I open up my heart to You

I just want You

Nothing else

Nothing else (Jesus)

Nothing else will do

Open the eyes of my heart Lord

Open the eyes of my heart

I want to see You

I want to see You

To see You high and lifted up
Shining in the light of Your glory
Pour out Your power and love
As we sing holy holy holy

Holy holy holy
Holy holy holy
Holy holy holy
I want to see You

Quiet

Here we go again my mind racing and
I can't seem to win
All these crazy thoughts and feelings
It's like it never ends
Until your voice
Breaks through my noise
I know I'm not alone
Not alone

You will fight my battles
If I will just be still
Why would I keep running
When you're right here

I'll just be quiet
And let you speak through the
Silence
Here I am
No more hiding
You are in this moment
I won't fight it
I'll be quiet

I don't need to know what comes next
Tomorrow's in your hands
I can trust you with my future
'Cause you're already there
I hear your voice
Call me forward
And I know I'm not alone
Not alone

Away with the distractions
I wanna hear what's true
The only words that matter
They come from you

Quiet

God you're here in the silence

Here I am

No more hiding

You are in this moment

I won't fight it

I'll be quiet

No place I would rather be

No place I would rather be

No place I would rather be

Than here in Your love

Here in Your love

Set a fire down in my soul

That I can't contain and I can't control

I want more of You God

I want more of You God

Our Father all of heaven roars Your name
Sing louder let this place erupt with praise
Can you hear it the sound of heaven touching
earth

The sound of heaven touching earth

Spirit break out
Break our walls down
Spirit break out
Heaven come down

King Jesus You're the name we're lifting high
Your glory shaking up the earth and skies
Revival we want to see Your kingdom here
We want to see Your kingdom here

Spirit break out
Break our walls down
Spirit break out
Heaven come down
