

Key - E

VERSE 1

1 When the rain falls and it some days will 5
4 5
Then the pavement under my feet
1 5
Sparkles silver and gold in re - flected light
4 5
That I otherwise wouldn't have seen
1 5
And when the storm comes and the strong wind blows
4 5
I will bow my head to push through
1 5
And ev'ry step that I take I will watch and pray
4 1
To be sure my foothold is true

CHORUS 1

So Jesus don't You keep me from that storm
I want to walk that sacred ground
For You are Master of it all
And I am just a lost and found

VERSE 2

And in the dry place in the wilderness
When Your Word seems so far away
Then I will think of my life and I will
Bless Your name for Your promises never have failed
And when the night falls at the end of days
I will lift my eyes to the heav'n's
Where we will shine like the stars in reflected light
In Your presence for ever and e'er

CHORUS 2

Lost and found lost and found
I am but a lost and found
But can there be a sweeter sound
Than singing with the lost and found
